

LA TIMES' WAR ON SROs

Six homeless people die on the streets of Los Angeles every day.

That is why AIDS Healthcare Foundation has invested \$230 million to buy, rehab, and subsidize 15 Single Room Occupancy (SRO) buildings – already taking 1,417 people out of harm's way.

Yet, the LA Times relentlessly attacks SRO non-profits and ignores greedy, corporate landlords.

Homeless housing is difficult. But, we can't let the perfect be the enemy of the good.
